LETTER OF AUTHORIZATION & REPRESENTATION

To: Mr. Michael Evans

August 4, 2011

From: Don Morgan Nielsen
Director, Morgan Meditterre Group

Dear Michael,

By this letter, in my capacity as Managing Director of Morgan Meditterre Group, I hereby authorize you to represent to your individual, corporate and institutional clients the business and investment opportunities, services and counsel that we can offer. Moreover, we hope that you will clearly explain to your clients, on our behalf, the nature, scope and limitations of these opportunities – as well as the strict procedures and protocol that must be followed in order to take advantage of them.

It is understood that before we can provide any information, make any offers, or agree to meet with clients to discuss their specific needs, you will obtain from them all the documentation required for due diligence and evaluation. In the meantime, I would like to thank you for your continued and exceptional professionalism and cooperation and look forward to working closely with you and your clients over the coming months.

Sincerely yours,
